lining up against one another
while facing opposite directions,
sonnenstube ♥ one gee in fog will mate like earthworms do
as the act of mating is accomplished
– with reproduction still in the making –
each of them will go her separate way

,

allungate l'una contro l'altra
mentre sono rivolte in direzioni opposte,
sonnenstube ♥ one gee in fog lo faranno come i lombrichi
e una volta finito
- con la procreazione ancora in atto -
ognuno di loro andrà per la sua strada
